Conversation: thank-you note

Just wanted to say thank-you for the help in clearing up the large floater in my line of sight in the right eye. I had the procedure over a (2) week period of 9/18/05 & 9/25/05. The floater has been minimized and has stayed out of my line of sight. It seems to become less significant every day. thank-you so much.

you had asked me for the name of my general Ophthalmology MD she is: Marianne B Diego-Wright MD PLLC 3246 Cove Bend Drive Tampa, FL 33613

I was sent to another MD but it was a validation recommended by Marianne above. It was a general retinal examination office and I had a examination by the next available MD thus I cant remember the name. I called the office and they have yet to call back.

Both of the MD's had no knowledge of the your procedures.

once again, thank-you and regards

Ken Vaicunas Tampa, FL
